Kawerak, Inc.
Youth Education and
Employment Program

Dedicated to Provide
Academic Assistance and
Work Experience for Tribally
Enrolled Youth Ages 16-21

The Youth Education & Employment Program

The program will assist in GED attainment and provide a paid work experience

Eligibility Requirements:

- ◆ Age 16 - 21
- ◆ Currently enrolled and working toward a GED with the Kawerak's Community Education Program
- ◆ Tribally enrolled
- ◆ Meet income guidelines
- ◆ Have barriers to employment

Each participant will:

- ◆ Develop personal goals
- ◆ Identify barriers to success and create a direction plan
- ◆ Identify abilities, skills and interests
- ◆ Identify a mentor in your community to provide local support

- ◆ Create a letter of interest, a resume and complete a job application
- ◆ Understand the job search process
- ◆ Use the internet for job search activities and register for the ALEXsys with the Dept. of Labor
- ◆ Develop interviewing and work maturity skills
- ◆ Explore education and career opportunities for future employment

The Community Education Program will provide educational opportunities in General Educational Development (GED) Diploma

Services include:

- ◆ Instruction & counseling to assist participants to prepare for GED examinations

On-call Community Education Tutors are located in some communities.

Communities without tutors receive distance delivered assistance through the Community Education office in Nome
